

# NOTARY PUBLIC & LOAN SIGNING AGENT

## ABOUT ME

As a Certified Loan Signing Agent, Remote Online Notary and Notary Public in and for the State of North Carolina, I strive to offer signers with the best signing experience possible. I continue my Notary education regularly staying up-to-date on my craft as a professional Notary Signing Agent through the National Notary Association and NotaryStars.com. I am in hopes I can partner with your company and show you there is a difference between just being a Notary Public vs. being a professional Notary Signing Agent.
